

A United Methodist Congregation

## **Group/Meeting Guidelines (Fall-Winter 2020)**

Harbor is currently following NCHHS and UMC guidelines for number of attendees at indoor meetings, and following all recommended safety practices.

**Please help us protect our church family and community by adhering to the following guidelines:**

- Wear a mask, covering nose and mouth
- Stand or sit 6 feet apart; avoid prolonged close contact
- Wash hands for 20 seconds (or use hand sanitizer)
- Bring your own beverage and/or snacks – or serve individual prepackaged beverages and snacks
- Do not share printed materials, books, or Bibles
- Record name of all in attendance (group leader will retain list) in the event contact tracing is needed
- Wipe down table surfaces, chairs, TV remotes, light switches, door handles, and any other items used with disinfecting wipes when finished with room

**Thank you for your help and cooperation!**
